

WOULD YOU LIKE TO SPONSOR A FISH?

What makes the Derby a success is the willingness of both businesses and individuals to sponsor a fish. When one sponsors a fish he or she agrees to pay a pledged amount of money if the fish is caught. No money is required up front. If your fish is caught you will be notified and then you will send in the money. If the fish is not caught the Sponsor pays nothing. One may sponsor a fish starting at \$25.

In recent years there has been a great increase in the number of sponsors who are dedicating the fish they sponsor. Dedications include such things as "In memory of..." or "In celebration of...". It is a nice way to remember someone, celebrate an event, or congratulate someone. To dedicate the fish you sponsor, simply write what you want the Prize List to say. The Prize List lists the fish, their sponsors, the dedication, the amount of money the fish is worth, and who (if anyone) won the prize. It is posted at the Derby and is reviewed by everyone at the Derby.

To sponsor a fish, simply fill out the Sponsor's Form below and mail it in with your registration. Even if you are not going to enter the Derby, you may sponsor a fish.
